The Darling Point Society is publicly seeking your official answers to the following questions which are selected from a number of issues of concern to residents of Darling Point:

Questions for candidates up for election to Woollahra Council, 2021

Development		Yes	N
1. Are you for or against the Edgecliff Commercial Centre Zoning Proposals.		<input type="checkbox"/>	X
2. Are you for or against the Edgecliff corridor		<input type="checkbox"/>	X
3. Are you for or against development applications over 30M by-passing WMC?			X
<i>Comment:</i>	<p>1 No. I am against the ECCZ proposals.</p> <p>2. No. I am against the Edgecliff corridor.</p> <p>Comment: The issues of traffic management, proposed bulk, height and heritage impacts on the Heritage Conservation Area are unresolved. No increase in infrastructure is proposed.</p> <p>The proposal will turn the area into transport chaos particularly given that New South Head Road is an arterial road and it will create another high-rise Bondi Junction or Chatswood.</p> <p>3 No. Locals must have the primary say over their local environment. Locals have a right to live in their chosen environment.</p>		
Skatebowl in Rushcutters Bay Park		Yes	N
1. Are you for or against the planned skateboard facility planned for Rushcutters Bay?		<input type="checkbox"/>	X
2. Did you know that all 15 Woollahra Councillors voted YES to go ahead with building the facility:		X	<input type="checkbox"/>
3. Did you know that funds of \$1.4m have been allocated already for this project?		X	<input type="checkbox"/>
4. Are you for or against a rescission motion being passed to cancel the planned facility in a State Heritage listed park?		X	<input type="checkbox"/>
<i>Comment:</i>			

	<p>1 No. I am adamantly against the proposal. I have been active in campaigning against it and on the public record on radio and in print saying so. See https://cityhubsydney.com.au/2018/03/locals-see-red-over-green-space-plans/</p> <p>2 Yes. I am shocked that all 15 Councillors voted in favour of it.</p> <p>I can not believe anyone would put a concrete structure over precious green space which is heritage listed and wreck the quietude of the park. The park is very much loved and used.</p> <p>The skate rink should be located elsewhere.</p> <p>3 Yes. The Council probably can't afford to build it anyway and it will invariably cost significantly more money to build.</p> <p>4. I am firmly in favour of a rescission motion and will put it to the new Council if elected.</p>						
<p>Parking in Woollahra</p> <p>1. Are you for or against a review of parking regulations in Woollahra?</p> <p>2. Are you for or against new studio or 1 bedroom apartments not being allocated a parking space inside the building?</p>	<table border="1"> <thead> <tr> <th data-bbox="1257 907 1337 952">Yes</th> <th data-bbox="1337 907 1401 952">N</th> </tr> </thead> <tbody> <tr> <td data-bbox="1257 952 1337 1041" style="text-align: center;">X</td> <td data-bbox="1337 952 1401 1041" style="text-align: center;"><input type="checkbox"/></td> </tr> <tr> <td data-bbox="1257 1041 1337 1261"></td> <td data-bbox="1337 1041 1401 1261"></td> </tr> </tbody> </table>	Yes	N	X	<input type="checkbox"/>		
Yes	N						
X	<input type="checkbox"/>						
<p><i>Comment:</i></p>	<p>1. Yes, I support a review which should consider traffic flow and parking availability.</p> <p>2. In principle I do not support any bias against small apartments in off street parking. However small apartments do not always need individual car parks on-site, particularly if residents have access to public transport. Each site should have a pre-determined number of car parks.</p>						
<p>Sign</p>	<p>Are you for or against RACISM signs going up all over Woollahra?</p> <p>No I don't agree with the signage. However I have sympathy for the objective.</p> <p>I do not condone racism in any form and believe each of us has a responsibility to see it doesn't take hold in our area.</p> <p>RACISM signage was initiated by Woollahra Council "to start conversations about racism, and to demonstrate that there is no place for racism in Woollahra or across Australia."</p> <table border="1"> <thead> <tr> <th data-bbox="1257 1563 1337 1608">Yes</th> <th data-bbox="1337 1563 1401 1608">N</th> </tr> </thead> <tbody> <tr> <td data-bbox="1257 1608 1337 2072" style="text-align: center;"><input type="checkbox"/></td> <td data-bbox="1337 1608 1401 2072" style="text-align: center;">X</td> </tr> </tbody> </table>	Yes	N	<input type="checkbox"/>	X
